Our international customers - coming from Denmark, Malaysia, Germany and Switzerland certainly had nothing to complain at the end, spending Christmas on a very cosy boat, having BBQ dinner on the open sea, enjoying diving in very small groups; what do you expect more from a dive trip!?

It is our passion to make you as happy as ever possible and one more time this mission came to a successful end. Thank you for joining and making it possible. Thanks to the crew which did one more time an amazing job in helping where ever a hand was needed and now there is only one thing left to say:

We wish you a good start in the new year, some great dives during the next 365 days and all the best for you and your families!
