Betreff: Time to say goodbye

Dear all

We have spent the last 8 months in Moalboal and had the pleasure to experience many different things, such as incredible dives, amazing nature activities and tasty food, all this made our time.

Since 4 years we live in South East Asia, have spent time in Thailand, Indonesia and Malaysia. But here in the Philippines we felt home already after weeks. Not only because it is simply a beautiful country, as well because of the amazing team we could work with in The Blue Orchid.

But everything comes to an end and unfortunately we have to leave "our" small paradise because our contract was limited.

We use to say, if a door is closing there will be a new door opened: our door will open in Bohol on the 12th of December 2011, not far away actually from where we still are.

There, we will manage the dive centre from a different resort, if you are curious, go and have a look: <http://www.flower-beach.com/>

Maybe you plan your next vacation or dive trip, why don't you come and visit us, we are sure, we will have a great time.

Keep in touch and if you have any questions about one of the places we have been for living and working, don't hesitate to contact us or go and have a look and stay updated on: <http://www.weiterreisen.ch>

Love,
Carmen and Mischa
